Identifying Your Organization’s Strengths

Playing Organizational Strengths

Rural	Urban	Teaching Hospital	FQHCs	Behavioral/ SUD
Underserved communities	Consortiums	Grants for staff	Special grants for Federally Qualified Health Centers, and Certified behavioral Health Centers.	Recent trends in funding prioritize expanding behavioral health services especially in underserved and rural areas.
Opportunity for telehealth expansion	Large Population Underserved	Workforce Development		
Less competitive	Centrally Located	Loan Reimbursement		
Special funding	Capacity for larger projects	Research		
Trending in Healthcare funding		Residency Programs
